

A detailed photograph of a mechanical assembly, possibly a pump or motor, with various components labeled with letters and numbers. The assembly includes a large rectangular component on the left, a central cylindrical component, and a complex structure on the right. The labels are as follows:

- A: Top of the left rectangular component.
- B: Side of the left rectangular component.
- C: Top of the central cylindrical component.
- D: Side of the central cylindrical component.
- E: Top of the right rectangular component.
- F: Side of the right rectangular component.
- G: Bottom of the right rectangular component.
- H: Side of the right rectangular component.
- I: Bottom of the right rectangular component.
